Brokerage Services

Platinum Properties International Business Brokerage Services

When you choose a business brokerage firm, you want a company that will respond to your needs - you want a **Relationship** with your real estate professional... an experienced specialist who understands *your* needs and *your* market. With **Platinum Properties International Business Brokerage Representation**, you have a team dedicated to your personal real estate situation ... a team whose singular goal is achieving timely **Results** for you.

Your Best Choice for Business Brokerage

Platinum Properties International Business Brokerage offers a variety of services for owners, investors and tenants of business properties who are seeking the breadth of experience that only seasoned real estate professionals can provide.

Whether your needs are industrial, office, retail, land, multi-family or investment properties, we offer the broad range of services necessary to get the job done right. These services include (among other things) detailed market research, mergers and acquisitions, in-depth analysis, lease and/or contract negotiations, concessions and options.

Our Goal: Exceptional Results

We believe that the agent and the client work together as a team, assessing needs, defining goals and developing a customized strategy to successfully meet or exceed all objectives. We are the means by which you achieve your ends.

Here are just a few of the benefits you will enjoy when you select Platinum Business Brokerage Services: personalized strategic and fully integrated marketing plans (including direct mail and e-commerce marketing), person-to-person contacts, trade shows, Platinum Properties' strong local and regional name identification, broker cooperation, and much more.

Affiliations and Memberships

We maintain affiliations with local, state and national business and trade organizations. Our agents hold various professional designations in keeping with their experience in the business brokerage industry.
